DAY BY DAY

Your Itinerary

Every day is thoughtfully planned — tap any link below to book or ask our team a question.

DAY 01

DAY 01 - : Arrival - Chiang Rai Tour

- Upon arrival at Chiang Rai Airport, our guide greets you then it's time for a trip to meet ethnic groups in their villages, which have barely changed for centuries. You can say hello to the Akha tribespeople who come from Tibet and are known for their colorful costumes, or the Yao, whose roots are in China. That Chinese influence is still very much alive in their traditions. This is followed by an exploration of the Golden Triangle, where the Ruak and Mekong rivers meet to form the border between Thailand, Myanmar, and Laos, hence the name. From the Tibetan Plateau, the mighty Mekong runs through China and Myanmar, Laos, Thailand, Cambodia, and Vietnam and eventually into the South China Sea. It's a memorably majestic sight! After lunch at a local restaurant, you visit the opium museum to learn the history of the opium trade; a trade that was once so valuable and prized, it was the cause of major wars between the superpowers of an earlier era. Then it's back to your hotel in Chiang Rai where you stay overnight.

DAY 02

DAY 02 - : Chiang Rai - Chiang Mai

- After breakfast at the hotel, you begin the day cruising along the Maekok River in a traditional Thai boat, arriving at the town of the Karen ethnic group. You then visit the newly built Wat Rong Suea Ten or Blue Temple, whose intense blue color makes it unique, as no other Buddhist temple in Thailand has been designed this way.
- It's now time to hit the road for Chiang Mai, with a stop at Wat Rong Khun, known as the White Temple. In our opinion, this is one of the most amazing places in Thailand, which is quite a statement, but it truly is a breathtaking site, with simply stunning architecture and lots of unusual, quirky aspects. You'll see images from modern days alongside the more traditional Buddhist icons you'd expect. It's quite an experience to see those carved depictions of the likes of Michael Jackson and Neo from The Matrix! The temple was built this century and was hit by an earthquake in 2008, but almost miraculously survived intact.
- Breaking for lunch at a carefully chosen restaurant, there's a stop at the much more traditional 600-year-old Wat Phra That Doi Suthep, near the summit of Doi Suthep. After a drive up the mountain's winding road, the final.
- climb to the site is via a magnificent Naga - dragon-headed serpent - staircase of 306 steps. Inside is an
- intriguing copper-plated chedi which is said to contain partial relics of Lord Buddha, topped by a five-
- tier gold umbrella. On a clear day, there are incomparable views over the city of Chiang Mai. Then you're transferred to your hotel in the city.

DAY 03

DAY 03 - : Chiang Mai

- The first two days of this tour were eventful, to say the least. So, after breakfast at your hotel, you have a full day of leisure to discover the historic walled city of Chiang Mai on your own or take one of the many optional excursions available through your travel agents or locally through your guide. We suggest learning about the Asian elephants at one of the elephant sanctuaries or enjoying the tranquil beauty and glorious flora of the Chiang Mai Botanical Garden. Trekking, biking, and cooking classes are also popular choices.
