WHY YOU'LL LOVE IT

Trip Highlights

Watch Seoul's skyline glow gold from the deck at Yeouido Park before night markets kick off.

Stay dry yet spot coral gardens from the glass ports of the Udo Submarine, or take a dive and experience the coral yourself.

Pedal the Gangchon tracks after ferrying to story-book Nami Island, a K-drama favourite.

Spend one unforgettable week hopping from neon boulevards to emerald coastlines. Begin in trend-setting Seoul, day-trip to maple-lined Nami Island, then fly south to Jeju Island for submarine rides, lava craters and folk villages. Private Malay/English-speaking guides, daily prayer breaks, halal-friendly meals and door-to-door transfers make this the easiest 7-day Seoul & Jeju Muslim-friendly tour package 2025.
